## Massage Therapy Informed Consent

I understand that massage therapy provided by Full Throttle Massage, Inc. is intended to enhance relaxation, reduce pain caused by muscle tension, increase range of motion, improve circulation and offer a positive experience of touch.

The general benefits of massage, possible massage contraindications and the treatment procedure have been explained to me. I understand that massage therapy is not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy.

I have informed the massage therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage therapist updated on any changes.

I have received a copy of the Full Throttle Massage, Inc. office policies, I understand them and agree to abide by them.

**I understand that Professional Massage Therapy is not intended for sexual gratification and do not expect any form of sexual service from the therapist. I understand that inappropriate action or language on my behalf is cause for termination of my massage; and that my massage therapist reserves the right to refuse service to anyone. Furthermore, if my massage is terminated for any of the afore-mentioned instances I will be charged for, and will pay the full price due, for the entire massage service that I had booked.**
